

FORD COUNTY 2015 ASSESSMENT ROLL

The following is a list of 2015 real estate assessment changes for the townships listed below as published in accordance with ILCS 200/12-10. Pursuant to 35 ILCS 200/10-115, the farmland assessments for the 2015 assessment year will increase by 10% of the preceding year's median cropped soil productivity index reduced by \$5.00 per acre as certified by the Illinois Department of Revenue with data provided by the Farmland Assessment Technical Advisory Board resulting in a \$15.33 per acre increase for each soil productivity index.

35ILCS 200/9-145 requires that non-farm property be assessed at 33.33% of its fair cash value. Multiply the assessment on non-farm property by three (3) to determine a fair cash value. Your last tax bill and more detailed information on assessments, appealing assessments and homestead exemptions can be found online at www.fordcounty.illinois.gov or by contacting the Assessment Office. See the Board of Review Rules published in this edition for contact information and steps to follow to appeal an assessment.
