

FORD COUNTY 2015 ASSESSMENT ROLL

The following is a list of 2015 real estate assessment changes for the townships listed below as published in accordance with ILCS 200/12-10. Pursuant to 35 ILCS 200/10-115, the farmland assessments for the 2015 assessment year will increase by 10% of the preceding year's median cropped soil productivity index reduced by \$5.00 per acre as certified by the Illinois Department of Revenue with data provided by the Farmland Assessment Technical Advisory Board resulting in a \$15.33 per acre increase for each soil productivity index.

35ILCS 200/9-145 requires that non-farm property be assessed at 33.33% of its fair cash value. Multiply the assessment on non-farm property by three (3) to determine a fair cash value. Your last tax bill and more detailed information on assessments, appealing assessments and homestead exemptions can be found online at [www.fordcounty.illinois.gov](http://www.fordcounty.illinois.gov) or by contacting the Assessment Office. See the Board of Review Rules published in this edition for contact information and steps to follow to appeal an assessment.
