The Committee discussed revising the current Windfarm Ordinance. Mr. Berger would like to do more research on hydraulic fracturing to possibly add to the ordinance. Mr. Berger also discussed solar farms and doesn't see any environmental problems with them. Mr. Rock would like to propose a fee schedule structure along with any solar farms in the ordinance. Cindy Ihrke suggested being cautious of what a solar farm contract may contain. The Committee discussed amending the Appendix A part of the ordinance. When all the changes have been made, Mr. Rock will give the committee members a copy along with the State's Attorney for review. Mr. Hartke suggested the committee eliminate the middle man and let the decommission be up to the land owner then the land owners will really consider before entering into a contract.
