

## Press Release

In regards to the anonymous mailers that have been received by Ford County Residents regarding two Republican candidates for the Ford County Board, I have been in contact with the State Board of Elections (SBE). The SBE is the agency responsible for investigating allegations of violations of Illinois' Campaign laws. Additionally, I am aware that the Ford County Republican Central Committee has contacted an attorney with the Illinois Republican Party to investigate the mailers.

Amy Frederick, Ford County Clerk & Recorder
