**THE ENGINEER AGREES**

1. To perform or be responsible for the performance of the following engineering services for the LA in connection with the proposed improvement hereinbefore described:
  - a.( X ) Develop Conservation plan and Incidental Take Permit submittal to IDNR for approval of instream work,
  - b.( X ) Coordinate construction procedure, plan details and contract special provisions to fulfill Incidental Take Permit stipulations,

2. That all reports, plans, plats, and special provisions to be furnished by the ENGINEER pursuant to this agreement will be in accordance with the current standard specifications and policies of the DEPARTMENT, it being understood that all such reports, plats, plans and drafts shall before finally accepted, be subject to approval by the LA and the said DEPARTMENT.
3. To attend conferences at any reasonable time when required to do so by the LA or representatives of the DEPARTMENT.
4. In the event plans are found to be in error during the construction of the SECTION and revisions of the plans are necessary, the ENGINEER agrees that he will perform such work without expense to the LA, even though final payment has been received by him. He shall give immediate attention to these changes so there will be a minimum delay to the Contractor.
5. The basic survey notes and sketches, charts, computations and other data prepared or obtained by the ENGINEER pursuant to this AGREEMENT will be made available upon request to the LA or the DEPARTMENT without cost and without restriction or limitations as to their use.
6. That all plans and other documents furnished by the ENGINEER pursuant to the AGREEMENT will be endorsed by him and will show his professional seal where such is required by law.

#### **THE LA AGREES**

1. To pay for all services stipulated under paragraph 1a, 1b, 2, 3, 5, and 6 of THE ENGINEER AGREES at the hourly rates stipulated below for personnel assigned to this SECTION as payment in full to the ENGINEER for the actual time spent in providing these services, the hourly rates to include profit, overhead, readiness to serve, insurance, social security and retirement deductions. Travelling and other out-of-pocket expenses will be reimbursed to the ENGINEER at his actual cost.

The upper limit of compensation for all services as described in this Section shall be \$4,000.00.

The classifications of the employees used in the work should be consistent with the employee classifications for the services performed. If the personnel of the firm including the Principal Engineer perform routine services that should normally be performed by lesser-salaried personnel, the wage rate billed for such services shall be commensurate with the work performed.
