OCTOBER 2021 SUPERVISOR OF ASSESSMENTS REPORT

October 4th will be Kenzie's last day in the office before she is off to have her baby. The plan is for her to start her maternity leave Tuesday, October 5th. The last few weeks in the office she has updated Drummer/Dix and Patton/Button property record cards with the township factors. She will be taking home information on valuing residential properties to check out in her "down time."

Board of Review hearings will be scheduled for October 15th. Appeals were turned in on 7 properties. All the BOR members have been in and had oaths taken, so we should be good to go.

It is my understanding that a replacement township assessor is in the process of being hired for MTA 1, however I don't have any specific information.

The office continues to receive and input sales information.
