This annual exemption is available for residential property that is occupied by its owner or owners as his or their principal dwelling place, or that is a leasehold interest on which a single family residence is situated, which is occupied as a residence by a person who has an ownership interest therein, legal or equitable or as a lessee, and on which the person is liable for the payment of property taxes. (35 ILCS 200/15-175) The amount of exemption is the increase in the current year's equalized assessed value (EAV), above the 1977 EAV, up to a maximum of \$10,000 in Cook County, \$8,000 in counties contiguous to Cook County, and \$6,000 in all other counties in Illinois.

The initial Form PTAX-343, Application for the Homestead Exemption for Persons with Disabilities, along with the required proof of disability, must be filed with the Chief County Assessment Office. The exemption must be renewed each year by filing Form PTAX-343-R, Annual Verification of Eligibility for the Homestead Exemption for Persons with Disabilities, with the Chief County Assessment Office. Veterans with Disabilities Exemption for Specially-Adapted Housing

This exemption may be up to \$100,000 reduction on the assessed value for certain types of housing owned and used exclusively by a veteran with a disability in which federal funds have been used for the purchase or construction of specially adapted housing. The exemption is valid for as long as the veteran, the spouse, or the unmarried surviving spouse resides on the property. Federal and state financial assistance is provided for service-connected veterans with disabilities for the purpose of acquiring or remodeling suitable dwelling units with special fixtures or moveable facilities made necessary by the veteran's permanent and total service-connected disabilities as determined by the U.S. Department of Veterans' Affairs.

Beginning with the 2015 tax year, the exemption also applies to housing that is specifically constructed or adapted to suit a qualifying veteran's disability if the housing or adaptations are donated by a charitable organization, and the veteran has been approved to receive funds for the purchase or construction of Specially Adapted Housing through the U.S. Department of Veterans Affairs. This exemption is also available on a mobile home owned and used exclusively by a veteran with a disability or his or her spouse.

For a single tax year, the property cannot receive this exemption and the Homestead Exemption for Persons with Disabilities or Standard Homestead Exemption for Veterans with Disabilities. For further information, please contact your local Veteran Service Officer.

Standard Homestead Exemption for Veterans with Disabilities

Beginning in tax year 2007 and after, this exemption is an annual reduction in equalized assessed value on the primary residence occupied by a qualified veteran with a disability. This veteran with a disability must own or lease a single-family residence and be liable for payment of property taxes. The property's total EAV must be less than \$250,000 after subtracting any portion used for commercial purposes. The amount of the exemption depends on the

percentage of the service-connected disability as certified by the United States Department of Veterans' Affairs. A qualified veteran with a service-connected disability of at least 30% but less than 50% will receive a \$2,500 reduction in EAV; if the veteran has a service-connected disability of 50% but less than 70%, the annual exemption is \$5,000; and if the veteran has a service-connected disability of 70% or more, the residential property is exempt from taxation.

Note: An un-remarried surviving spouse of a veteran who was disabled and is now deceased can continue to receive this exemption on his or her spouse's primary residence or transfer this exemption to another primary residence after the original primary residence of a veteran with a disability is sold, provided this exemption had previously been granted to the veteran with a disability.

The surviving spouse must occupy and hold legal or beneficial title to the primary residence during the assessment year and submit a Form PTAX-342, Application for the Standard Homestead Exemption for Veterans with Disabilities, available from your local assessment office, to transfer this exemption to themselves.

Beginning in tax year 2015 (property taxes payable in 2016), an un-remarried surviving spouse of a veteran killed in the line of duty will be eligible for a 100% reduction in the EAV on his/her primary residence, even if the veteran did not previously qualify for or obtain the SHEVD.

Beginning in tax year 2023 (property taxes payable in 2024), an un-remarried surviving spouse of a veteran whose death was determined to be service-connected and who is certified by the U.S. Department of Veterans Affairs as a recipient of dependency and indemnity compensation under federal law, may also qualify even if the veteran did not previously qualify or obtain the SHEVD. For a single tax year, the property cannot receive this exemption and the Veterans with Disabilities Exemption for Specially Adapted Housing or the Homestead Exemption for Persons with Disabilities.

For more information contact the Chief County Assessment Office.

The exemption is for two consecutive tax years, the tax year that the veteran returns from active duty in an armed conflict involving the armed forces of the United States and the following year. The veteran must own and occupy the property as his or her principal residence on January 1 of each assessment year. A veteran who acquires a principal residence after January 1 of the year he or she returns home is eligible for the RVHE on the principal residence owned and occupied on January 1 of the following tax year.

A veteran is eligible to receive the exemption for another tax year in which the veteran returns from active duty. Applicants must file a Form PTAX-341, Application for Returning Veterans' Homestead Exemption, with the Chief County Assessment Office.

Senior Citizens Homestead Exemption

This annual exemption is available for property that is occupied as a residence by a person 65 years of age or older who is liable for paying real estate taxes on the property and is an owner of record of the property or has a legal or equitable interest therein as evidenced by a written instrument, except for a leasehold interest, other than a leasehold interest of land on which a single family residence is located, which is occupied as a residence by a person 65 years or older who has an ownership interest therein, legal, equitable or as a lessee, and on which he or she is liable for the payment of property taxes. The maximum amount of the reduction in equalized assessed value is \$8,000 in Cook County and counties contiguous to Cook County or \$5,000 in all other counties.

Low-income Senior Citizens Assessment Freeze Homestead Exemption (SCAFHE)

A person qualifies for this exemption if the person:

- is at least 65 years old;
- has a total household income of \$65,000 or less; and
- meets certain other qualifications.

This exemption "freezes" the senior citizen's property's equalized assessed value the year that the senior citizen qualifies for the exemption. The property's equalized assessed value does not increase as long as qualification for the exemption continues. The tax bill may still increase if any tax rates are increased or if improvements are added that increase the value of the property.

This exemption allows senior citizens who meet the qualifications to elect to maintain the equalized assessed value (EAV) of their homes at the base year EAV and prevent any increase in that value due to inflation. The amount of the exemption benefit is determined each year based on (1) the property's current EAV minus the frozen base year value (the property's prior year's EAV for which the applicant first qualifies for the exemption), and (2) the applicant's total household maximum income limitation.

Each year applicants must file a Form PTAX-340, Low-income Senior Citizens Assessment Freeze Homestead Exemption Application and Affidavit, with the Chief County Assessment Office.

Senior Citizens Real Estate Tax Deferral Program

This program allows persons 65 years of age and older, who have a total household income for the year of no greater than \$65,000 and meet certain other qualifications, to defer all or part of the real estate taxes and special assessments (up to a maximum of \$7,500) on their principal residences. The deferral is similar to a loan against the property's market value. A lien is filed on the property in order to ensure repayment of the deferral. The state pays the property taxes and then recovers the money, plus 6 percent annual interest, when the property is sold or transferred. The deferral must be repaid within one year of the taxpayer's death or 90 days after the property ceases to qualify for this program. The maximum amount that can be deferred, including interest and lien fees, is 80 percent of the taxpayer's equity interest in the property.

To apply for real estate tax deferrals, a Form PTAX-1017-TD, Application for Deferral of Real Estate Taxes, and a Form PTAX-1018-TD, Real Estate Tax Deferral and Recovery Agreement, must be completed. To apply for special assessment deferrals, Form PTAX-1017-SA, Application for Deferral of Special Assessments, and Form PTAX-1018-SA, Special Assessments Deferral and Recovery Agreement, must be completed. Contact your local County Treasurers Office to receive the necessary forms, or further information on the program.

The exemption continues for four years from the date the improvement is completed and occupied.
