

Ford County Clerk & Recorder Amy Frederick would like to announce the purchase of new voting equipment.

The Ford County Clerk's Office will be holding an Open House for the public to view the new voting equipment. It will be held on Thursday, September 14, 2023, from 2:00 P.M. to 4:00 P.M. in the Ford County Courthouse.

The Clerk's office has purchased new, updated voting equipment for Ford County voters by using ARPA funds. Voters will start using the voting equipment in the March 19, 2024 General Primary Election. Clerk & Recorder Frederick is very excited about the new equipment and how much more advanced the new machines are. This is a 22+ year upgrade from the previous equipment.

Results will still be retrieved in the same manner as in the past which will be available in the office and can be viewed on our county website: <https://fordcounty.illinois.gov/county-clerk-recorder/election-results/>.

The new voting equipment is Unisyn OpenElect 2.1.0.2 and was purchased through Liberty Systems, LLC.
