PREAMBLE

This Agreement is entered into by the Chief Judge of the Eleventh Judicial Circuit (Ford County), hereinafter referred to as the "Employer", and the Illinois F.O.P. Labor Council, hereinafter referred to as the "Labor Council", representing the Ford County Probation Officers.

The purpose of this Agreement is to provide an orderly collective bargaining relationship between the Employer and the Labor Council representing the employees in the bargaining unit, and to make clear the basic terms upon which such relationship depends. It is the intent of both the Employer and the Labor Council to work together to provide and maintain satisfactory terms and conditions of employment, and to prevent as well as to adjust misunderstandings and grievances relating to employees' wages, hours and working conditions.

In consideration of mutual promises, covenants and Agreement contained herein, the parties hereto, by their duly authorized representative and/or agents, do mutually covenant and agree as follows:

ARTICLE 1 - RECOGNITION

Section 1.1 Unit Description

Pursuant to the certification by the Illinois State Labor Relations Board Case Number S-RC-11-084, the Employer hereby recognizes the Fraternal Order of Police Labor Council as the sole and exclusive collective bargaining representative for the purpose of collective bargaining on matters relating to rates of pay, wages, hours of employment and other conditions of employment. The bargaining unit shall consist of:

Included: All persons employed full time by the Chief Judge of the Eleventh Judicial Circuit in the Ford County Probation Department in the following title: Probation Officer.

Excluded: All other employees of the Ford County Probation Department and the Chief Judge of the Eleventh Judicial Circuit.

ARTICLE 2 - NEW CLASSIFICATIONS AND VACANCIES

Section 2.1 New Classifications

Where the Employer finds it necessary to create a new job classification, the work of which falls within the scope of the bargaining unit, the Employer and Labor Council agree to jointly petition the State Labor Board to seek the necessary unit clarification. If the inclusion of a new position classification is agreed to by the parties or found appropriate by the Labor Board, the parties shall negotiate as to the proper pay grade for the classification. If no agreement is reached within thirty (30) calendar days from the date its inclusion was determined, the Labor Council may appeal the proposed pay grade to the second (2nd) step of the grievance procedure.

Upon installation of the new position classification, the filling of such position classification shall be in accordance with the posting and bidding procedures of this Agreement.

Section 2.2 Vacancies

Vacancies for new positions or promotions shall be filled by selecting the most qualified person, that otherwise meet the qualifications set forth by the AOIC.

ARTICLE 3 - NON-DISCRIMINATION

Section 3.1 Equal Employment Opportunity

The Employer will continue to provide equal employment opportunity for all officers, and develop and apply equal employment practices.

Section 3.2 Prohibition Against Discrimination

Both the Employer and the Labor Council agree not to illegally discriminate against any employee on the basis of race, sex, creed, religion, color, marital or parental status, age, national origin, political affiliation and/or beliefs, mental or physical handicap or sexual orientation.

Section 3.3 Labor Council Membership or Activity

Neither the Employer nor the Labor Council shall interfere with the right of employees covered by this Agreement to become or not become members of the Labor Council, and there shall be no discrimination against any such employees because of lawful Labor Council membership or non-membership activity or status.

Section 3.4 No Dual Remedies

Alleged violations of this Article which may be the subject of a charge before a state or federal administrative agency shall not be subject to arbitration under this Agreement. This provision shall not waive the right of the discharged employee to seek reinstatement through the grievance and arbitration process based on a showing that the termination was discriminatory.

ARTICLE 4 - MANAGEMENT RIGHTS

The Employer possesses the sole right to operate the Probation Department of Ford County, Illinois, and all management rights repose in it. Nothing herein shall affect the internal control authority of the Chief Judge or his designee, except as specifically contained, amended, changed or modified by this Agreement, these rights include the following:

- A. To direct all operations of the Probation Department in the County;
- B. To establish reasonable work rules;
- C. To hire employees from the Administrative Office of the Illinois Courts eligibility list, transfer within the Ford County Probation Office, schedule and assign employees in positions and to create, combine, modify and eliminate positions within the County;
- D. To suspend, discharge and take other disciplinary action for just cause;
- E. To lay off employees;

- F. To maintain efficiency of Probation Department operations;
- G. To introduce new or improved methods or facilities;
- H. To change existing methods or facilities;
- I. To determine the kinds and amounts of services to be performed as pertains to the Probation Department operations; and duty assignments;
- J. To determine the methods, means and personnel by which Probation Department operations are to be conducted:
 - 1. To set assignment of cars and equipment to personnel and to change these as needed to meet Probation Department needs and priorities;
 - 2. To determine proper attire for all personnel;
 - 3. To require prior notification of any outside part-time employment and to set reasonable restrictions thereon and annually to renew the notification or provide additional notification upon a change of any outside part-time employment.
 - 4. To establish required training sessions and qualifications for specific duty assignments and to change or amend these requirements as needed to meet departmental needs or requirements;
 - 5. To determine the proper utilization of department vehicles and equipment within the Probation Department, the proper cleaning, care and maintenance of those vehicles and equipment, the number of personnel assigned to each vehicle and the location of vehicles when not in service;
 - 6. To retain the right to issue and/or assign any or all department equipment and vehicles to employees as necessary and directed by the Chief Judge or his designee.
- K. To take whatever action is necessary to carry out the functions of the Probation Department in situations of emergency.
- L. It is the general policy of the Employer to continue to utilize employees to perform work they are qualified to perform. However, the Employer reserves the right to contract out any work it deems necessary in the interests of economy, improved work product, or emergency, provided the subcontracting does not cause layoffs and does not reduce employees' regularly scheduled hours of work.

ARTICLE 5 - F.O.P. REPRESENTATIVES

For the purposes of administering and enforcing the provisions of this Agreement, the Employer agrees as follows:

Section 5.1 Grievance Processing

One bargaining unit member designated by the union as its representative shall be provided time without loss of pay for the purpose of preparing for a grievance hearing on behalf of an officer.

Section 5.2 F.O.P. Delegates

Any employee(s) chosen as delegate(s) to a F.O.P. State or National Conference will, upon written application approved by the Labor Council and submitted to the Employer with at least fourteen (14) days notice, be given a leave of absence without pay for the period of time required to attend such convention or conference. This period of time shall not exceed one (1) week. The employee may utilize existing vacation or compensatory time in lieu of such unpaid leave, subject to scheduling requirements of the Probation Department. Such requests shall not be unreasonably denied.

Section 5.3 Labor Council Negotiating Team

No more than two (2) members designated as being on the Labor Council negotiating team who are scheduled to work on a day on which negotiations will occur shall, for the purpose of attending scheduled negotiations, be excused from their regular duties without loss of pay subject to operating needs of the Department. If a designated Labor Council negotiating team member is in regular day-off status on the day of negotiations, they will not be compensated for attending the session.

ARTICLE 6 - DUES DEDUCTION AND FAIR SHARE

Section 6.1 Dues Deduction

Upon receipt of a written and signed authorization form from an employee, the Employer shall deduct the amount of Labor Council dues and initiation fee, if any, set forth in such form and any authorized increases therein, and shall remit such deductions, along with a record of those for whom deductions have been made and the names of any members for whom deductions were not made, monthly to the Illinois Fraternal Order of Police Labor Council at the address designated by the Labor Council in accordance with the laws of the State of Illinois. The Labor Council shall advise the Employer of any increase in dues, in writing, at least thirty (30) days prior to its effective date. The Labor Council shall advise each officer of the existence and holding in *Beck v. Communications Workers of America* and advise whether the officers' dues are utilized for political and/or lobbying activities.

Section 6.2 Dues

With respect to any officer on whose behalf the Employer receives written authorization in a form agreed upon by the Labor Council and the Employer, the Employer shall deduct from the wages of the officer the dues and/or financial obligation uniformly required and shall forward the full amount to the Labor Council by the tenth (10th) day of the month following the month in which the deductions are made. The amounts deducted shall be in accordance with the schedule to be submitted to the Employer by the Labor Council. Authorization for such deduction shall be irrevocable unless revoked by written notice to the Employer and the Labor Council as provided by applicable Illinois law.

Section 6.3 Union Indemnification

The Labor Council hereby indemnifies and agrees to defend and hold the Employer and Ford County harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of any action taken by the Employer and Ford County at the request or instruction of the Labor Council for the purpose of complying with the provisions of this Article. The Employer, per 5 ICLS 315/6 (c) will furnish to the Union a complete list of names and addresses of the employees covered in the bargaining unit upon request.

ARTICLE 7 - INDEMNIFICATION

The Employer agrees to indemnify the members of the bargaining unit in accordance with the laws of the State of Illinois.

ARTICLE 8 - NO STRIKE

Section 8.1 No Strike Commitment

Neither the Labor Council nor any officer will call, initiate, authorize, participate in, sanction, encourage, or ratify any work stoppage, slow down, or the concerted interference with the full, faithful and proper performance of the duties of employment with the Employer during the term of this Agreement. Neither the Labor Council nor any officer shall refuse to cross any picket line, by whomever established.

Section 8.2 Resumption of Operations

In the event of action prohibited by Section 1 above, the Labor Council immediately shall disavow such action and request the officers to return to work, and shall use its best efforts to achieve a prompt resumption of normal operations. The Labor Council, including its officials and agents, shall not be liable for any damages, direct or indirect, upon complying with the requirements of this Section.

Section 8.3 Discipline of Strikers

Any officer who violates the provisions of Section 1 of this Article shall be subject to immediate discipline, including discharge. Any action taken by the Employer against any officer who participates in action prohibited by Section 1 above shall not be considered as a violation of this Agreement and shall not be subject to the provisions of the grievance procedure, except that the issue of whether an officer in fact participated in a prohibited action shall be subject to the grievance and arbitration procedure.

Section 8.4 No Lockout

The Employer will engage in no lockout of employees during the term of this Agreement.

ARTICLE 9 - PERSONNEL FILES

Section 9.1 Personnel Files

The Employer shall keep a central personnel file for each employee within the bargaining unit. Employer is free to keep working files and internal investigation files, but material not maintained in the central personnel file may not provide the basis for disciplinary or other action against an employee.

Records of disciplinary action taken against an employee shall be removed upon employee request from all personnel files twenty-four (24) months after the date of the initial disciplinary action. The foregoing is contingent upon an employee not having any further sustained discipline of the same or similar nature within the time period proscribed herein. Records of disciplinary action resulting in discharge shall be retained for a period of seven (7) years in the personnel file.

Section 9.2 Inspection

Upon request of an employee, the Employer shall reasonably permit an employee to inspect his personnel file subject to the following:

- A. Such inspection shall occur within a reasonable time following receipt of the request, and the Employer shall be entitled to have an observer present to observe the inspection;
- B. Such inspection shall occur during daytime working hours Monday through Friday upon reasonable request;
- C. The employee shall not be permitted to remove any part of the personnel file from the premises but may obtain copies of any information contained therein upon reasonable payment for the cost of copying;
- D. Upon written authorization by the requesting employee, in cases where such employee has a written grievance pending, and is inspecting his file with respect to such grievance, that employee may have a representative of the Labor Council present during such inspection and/or may designate in such written authorization that said representative may inspect his personnel file subject to the procedures contained in this Article;
- E. Pre-employment information, such as reference reports, credit checks, testing and examination materials or information provided the Employer with a specific request that it remain confidential, shall not be subject to inspection or copying.

Section 9.3 Notification and Reply

Employees shall be given immediate notice by the Employer when a formal, written warning or other disciplinary documentation is permanently placed in their personnel file. A copy of the written warning or disciplinary documentation shall be delivered to the employee, at which time the employee may prepare a written reply to the written warning or disciplinary documentation. The written reply shall be permanently attached to the written warning or other disciplinary documentation prior to placement in the personnel file. Upon receipt of such copy, the employee shall acknowledge such receipt by initialing and dating the original copy.

Section 9.4 Employee Additions to Personnel File

An employee may submit without the necessity of supervisory approval, documents related to their current employment to become a permanent part of the personnel file. Such documents shall include, but not be limited to, certificates of special training, letters of commendation, documentation of accomplishment, or other unsolicited material that would be favorable to the officers' interests.

ARTICLE 10 - DISCIPLINE AND DISCHARGE

Section 10.1 Counseling

An employee may be "counseled" either verbally or in writing. Counseling is a means to advise an employee of a desired change toward improving employee performance and does not trigger an employee's right to demand union representation. Counseling is non-grievable and shall not be considered as a disciplinary action or measure. It is neither the first step in the process of progressive discipline nor is it a prerequisite for discipline as defined in Section 10.2.

Section 10.2 Progressive Discipline

The parties recognize the principles of progressive and corrective discipline. Disciplinary action or measures shall include only the following:

- A. Oral reprimand
- B. Written reprimand
- C. Suspension without pay
- A. Discharge

All disciplinary action listed above will be documented, in writing, in the employee's personnel file and a copy provided to the employee.

Section 10.3 Just Cause

Disciplinary action may be imposed upon an employee only for just cause. If the Employer has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.

Section 10.4 Discipline Processed As Grievance

For discipline other than oral reprimands and including written reprimands, imposed upon an employee, shall be processed as a grievance through the regular grievance procedure.

Section 10.5 Limitation

The Employer's agreement to use progressive and corrective disciplinary action does not prohibit the Employer in any case from imposing discipline that is commensurate with the severity of the offense. The Employer shall notify both the employee and Labor Council of disciplinary action. Such notification shall be in writing and shall reflect the specific nature of the offense.

Section 10.6 Investigatory Interviews

When the Employer desires to conduct an investigatory interview of an employee in which the results of the interview may lead to discipline in excess of one (1) day of suspension or discharge from employment, the Employer shall follow the following procedures:

- A. No employee shall be subjected to interrogation without first being informed in writing of the nature of the investigation. The information shall be sufficient as to reasonably apprise the employee of the nature of the investigation.
- B. Interrogation sessions shall be of a reasonable duration and shall permit the employee interrogated reasonable periods for rest and personal necessities.
- C. The employee being interrogated shall not be subject to professional or personal abuse, including offensive language.
- D. Notes of any interrogation shall be taken, and copies made available to the employee under investigation without charge and without undue delay.

- E. The employee may have counsel and/or an FOP representative present at their own expense. When such request for counsel or a representative is made, no interrogation shall proceed until reasonable time and opportunity are provided the employee to obtain counsel. The Union representative shall be allowed to be present during the interrogation unless this requirement is waived by the employee being interrogated.

Section 10.7 Written Notice

The Employee shall be notified in writing of disciplinary action imposed, be advised of the specific nature of the offense and be given direction as to future behavior.

Section 10.8 Employee Conduct

The employee agrees to abide by the Ford County Personnel Policy regarding employee conduct.

The following is a listing of rules of conduct which may result in disciplinary action, up to and including termination:

- a. Criminal activity of any kind;
- b. Excessive absenteeism, tardiness or absence without notice;

Section 10.9 Social Media Policy

- A. "Social media" includes, but is not limited to, online forums and social networking sites, such as, but not limited to, Twitter, Instagram, Facebook, LinkedIn, YouTube, and blogs. The use of social media by employees can become problematic and unacceptable in certain circumstances, examples of which are if it interferes with an employee's work, if it is used to harass coworkers, if it creates a hostile work environment, if it harms the public or reputation of the Employer, or if it in any way adversely affects the Employer.

Employees are expected to use their professional judgment and take the most prudent action possible with regard to social media posts. If an employee is uncertain about the appropriateness of a social media posting, the employee must confer on that matter with the employee's supervisor or with County Human Resources. While other posting to social media may be violations, specific requirements are:

1. No employee other than a designated spokesperson may speak on behalf of the Employer.
 2. If an employee identifies himself or herself as an employee or discusses matters related to the Employer on social media, the employee must make clear that he or she is an employee of the Employer and that the views posted are those of the person (the employee) alone and that they do not represent the views of the Employer or any agency or department of the Employer. The employee must keep in mind that if information is posted in violation of Employer or County policy or any law, the disclaimer will not shield the employee from disciplinary action.
 3. Unless given written consent by the Employer and the County, an employee shall not use the Employer's or County's logo or trademarks on any social media post.
 4. All postings on social media must comply with the Employer's or County's confidentiality ethics, harassment and personnel policies. If an employee is unsure about the confidential nature of information the employee is considering for posting, the employee must first consult with their supervisor.
 5. Employees shall not link any post to the Employer's or County's website, nor shall an Employee post County material, on a social media site without written permission from County Human Resources.
 6. All employee postings to social media sites must comply with copyright and trademark laws, and must cite or reference sources accurately.
 7. Violation of this policy may lead to discipline up to and including the immediate termination of employment.
- A. The employee shall provide access to their social media account to their supervisor as related to a written complaint or a criminal investigation on the date and time specified. The date/time of review will be a minimum of forty-eight (48) hours from the time the notice was served on the employee. ARTICLE 11 - DISPUTE RESOLUTION AND GRIEVANCE PROCEDURE

Section 11.1 Definition of a Grievance

A grievance is defined as any unresolved difference between the Employer and the Labor Council or any employee regarding the application, meaning or interpretation of this Agreement. This grievance procedure is subject to and shall not conflict with any provisions of the Illinois Public Labor Relations Act.

Section 11.2 Dispute Resolution

In the interest of resolving disputes at the earliest possible time, it is agreed that an attempt to resolve a dispute shall be made between the employee and his immediate supervisor. The employee shall make his complaint to his immediate supervisor in writing within seven (7) working days from the date on which the employee knew or should have known of the event giving rise to the complaint. The supervisor will notify the employee of the decision within seven (7) working days following the day when the complaint was made. Settlements or withdrawals at this step shall not constitute a precedent in the handling of other grievances. Grievances shall be submitted on a form similar to the one provided in Appendix C.

Section 11.3 Representation

Grievances may be processed by the Labor Council on behalf of an employee or on behalf of a group of employees. The Employer may file contract grievances directly at Step 11.8.3 of this Article. Either party may have the grievant or one grievant representing group grievants present at any step of the grievance procedure, and the employee is entitled to Labor Council representation at each and every step of the grievance procedure upon his request. Grievances may be filed in writing on behalf of two (2) or more employees only if the same facts, issues and requested remedy apply to all employees in the group.

Section 11.4 Subject Matter

Only one subject matter shall be covered in any one grievance. A grievance shall contain a statement of the grievant's position, the Article, and Section of the Agreement allegedly violated, the date of the alleged violation, and the relief sought. If the actions or events described in the grievance re-occur prior to the grievance being addressed and/or settled, supplemental information shall be provided by the employee to the employer during the grievance processing to address the subsequent occurrences. Failure to provide such information shall not automatically bar the employee from seeking redress for the subsequent events.

Section 11.5 Time Limitations

Grievances may be withdrawn at any step of the grievance procedure without precedent. Grievances not appealed within the designated time limits will be treated as withdrawn grievances. The Employer's failure to respond within the time limits shall not find in favor of the grievant, but shall automatically advance the grievance to the next step, except Step 3. Time limits may be extended by mutual agreement.

Section 11.6 Grievance Processing

No employee or Labor Council representative shall leave his work assignment to investigate, file or process grievances without first making mutual arrangements with his supervisor, and such mutual arrangements shall not be denied unreasonably. In the event of a grievance, the employee shall always perform his assigned work task and grieve his complaint later.

Section 11.7 Grievance Meetings

A maximum of two (2) employees (the grievant and/or Labor Council Rep) per work shift shall be excused from work with pay to participate in a Step 1 or Step 2 grievance meeting. The employee(s) shall only be excused for the amount of time reasonably required to present the grievance. The employee(s) shall not be paid for any time during which a grievance meeting occurs outside of the employee's work shift. In the event of a grievance, the employee shall first perform his assigned work task and file his grievance later.

Section 11.8 Steps in Procedure

Disputes arising under this Agreement shall be resolved as follows:

Step 1. If no agreement is reached between the employee and the supervisor, as provided for in Section 2, Dispute Resolution, the Labor Council shall prepare a written grievance on a form mutually agreed to, and present it to the Director not later than ten (10) working days after the employee was notified of the decision by the supervisor. Within five (5) working days after the grievance has been submitted, the Director shall meet with the grievant and a Labor Council representative to discuss the grievance and make a good faith attempt to resolve the grievance. The Director shall respond in writing to the grievant and a Labor Council representative within five (5) working days following the meeting.

Step 2. If the grievance is not settled at Step 1 the grievance may be referred in writing, within five (5) working days after the decision of the Step 1 is due, to the Chief Judge or his designee. Within twenty (20) working days after the grievance has been filed at Step 2, the Chief Judge or his designee shall meet with the Labor Council and the grievant to discuss the grievance and make a good faith effort to resolve the grievance. The Chief Judge or his designee shall respond in writing to the grievant and the Labor Council within five (5) working days following the meeting.

Step 3. If the dispute is not settled at Step 2, the matter may be submitted to arbitration within ten (10) working days after the Step 2 written decision or the expiration of the five (5) day period if the Chief Judge or his designee fails to render a written decision. Within ten (10) working days after the matter has been submitted to arbitration a representative of the Employer and the Labor Council shall meet to select an arbitrator from a list of mutually agreed-to arbitrators. If the parties are unable to agree on an arbitrator within ten (10) working days after such meeting, the parties shall request the Federal Mediation and Conciliation Service to submit a list of seven (7) arbitrators. Either party shall have the right to reject an entire list of arbitrators. The arbitrator shall be selected from the list of seven (7) by alternate strikes by the Employer representative and the Labor Council. A coin flip shall be used to determine which party shall strike first. The person whose name remains on the list shall be the arbitrator, provided that either party before striking any names shall have the right to reject one (1) of the arbitrators on the list. The arbitrator shall be notified of his selection by a joint letter from the Employer and the Labor Council. Such letter shall request the arbitrator to set a time and a place for the hearing subject to the availability of the Employer and Labor Council representatives and shall be notified of the issue where mutually agreed by the parties. All hearings shall be held in the city of Paxton, Illinois unless otherwise agreed to.

Both parties agree to make a good faith attempt to arrive at a joint statement of facts and issues to be submitted to the arbitrator.

The Employer or Labor Council shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall bear the expense of its witness.

Once a determination is made that the matter is arbitrable or if such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the dispute.

The expenses and fees of arbitration, including the cost of the hearing room, the arbitrator's fees, and transcription costs shall be shared equally by the Employer and Labor Council. The decision and award of the arbitrator shall be made within forty five (45) days following the hearing and shall be final and binding on the Employer, the Labor Council and the employee or employees involved. The arbitrator shall have no power to amend, modify, nullify, ignore, add to or subtract from the provisions of the Agreement.

Section 11.9 Discovery

The parties agree to provide complete discovery of all materials to be used in discipline cases at least fifteen (15) days prior to any arbitration hearing.

Section 12.6 Seniority Tie-Breaker

In the event two employees are hired on the same date at the same time, the following procedure shall be used to determine who has seniority over the other:

- A. First Criteria: If a new employee has prior probation experience, this will provide seniority over the other. If both employees have prior probation experience, the number of months in that position shall determine seniority.
- B. Second Criteria: If neither new employee has prior probation experience, a coin toss shall determine seniority.

ARTICLE 13 - LAYOFF

Section 13.1 Layoff

All employees are to be dressed in a professional and appropriate manner depending on level of contact with the public and job functions. The Director may require employees to change clothing, within reason, if a Supervising Judge or the Director determines the article of clothing or employee's appearance is inappropriate, displays language or a message generally considered rude or vulgar, or the employee's dress or appearance otherwise detracts from the business environment.

ARTICLE 24 - EDUCATION AND TRAVEL

Section 24.1 Schools, Seminars and Conferences, and Business Travel

- A. Employees will be reimbursed for reasonable business travel expenses incurred while on assignments away from the normal work location including any fees related to training. All business travel and related expenses must be approved in advance by the Chief Managing Officer or Chief Judge.
- B. Employees whose travel plans have been approved are responsible for making their own travel arrangements.
- C. When approved, the actual reasonable costs of travel, lodging, meals and other reasonable expenses directly related to accomplishing business travel objectives will be reimbursed. Employees are expected to limit expenses to reasonable amounts, with a limit of \$38.00 per day for meal expenses. Expenses attributed to non-employees or any alcoholic beverages will not be reimbursed. Expenses shall only be reimbursed if the request includes an itemized receipt for said expenses.
- D. Employees who are involved in an accident while traveling on business must promptly report the incident to the Chief Managing Officer. The deductible for Collision and/or Comprehensive insurance will be paid by the driver or owner of the vehicle, if a personal vehicle is being used.
- E. Vehicles owned, leased or rented by the County may not be used for personal use.
- F. When travel is completed, employees should submit their expenses to the Chief Managing Officer. All claims must be accompanied by original itemized receipts for individual expenses, and must be submitted to the Chief Managing Officer before reimbursement. The Chief Managing Officer will then review, authorize and submit said expenses for payment.
- G. Abuse of business travel expenses policy, including falsifying expense reports to reflect costs not actually incurred by employee, will be grounds for disciplinary action, up to and including termination of employment. In some instances, legal action may be instituted.
- H. The employer shall make every effort to plan business related travel as far in advance as practical.

Section 24.2 Use of Personal Vehicle for Official Business

Employees required to use their personal vehicle for required attendance at any school, seminar, conference, or for official business shall be compensated per County Policy on travel with personal vehicles. Employees shall not be required to use their personal vehicles for routine day to day operations.

ARTICLE 25 - EMPLOYEE TESTING

Section 25.1 Statement of Policy

It is the policy of Ford County Probation Office that the public has the right to expect persons employed by the Ford County Probation Office to be free from the effects of drugs, alcohol and cannabis/marijuana. Ford County Probation Office has the right to expect its employees to report for work fit and able for duty. The purposes of this policy shall be achieved in such manner as not to violate any established rights of the officers.

Section 25.2 Prohibitions

Employees covered by this Agreement shall be prohibited from:

- A. Consuming, possessing or being under the influence of alcohol or cannabis/marijuana, unless in accordance with duty requirements, at any time during the work day including meal periods and breaks, or anywhere while on duty at any County premises or job sites, including all County buildings, properties, vehicles and the officer's personal vehicle while engaged in County business;
- B. Illegally consuming, possessing, selling, purchasing or delivering any illegal drug, or being under the influence of any illegal drug;
- C. Failing to report to their supervisor any known adverse side effects of medication or prescription drugs they are taking.

This section is not intended to limit the duty of Ford County Probation Office to enforce the laws of the State of Illinois and all regulations of the Ford County Probation Office, or to restrict the Employer's right to require prospective hires to submit to a drug screening procedure or psychological evaluation, or to prohibit vehicle use by an employee if the employer has reason to believe that the employee's faculties are diminished because of drug or alcohol use.

Section 25.3 Drug and Alcohol Testing

When the Employer has reasonable suspicion to believe that an employee is then under the influence of alcohol, cannabis/marijuana or illegal drugs during the course of the work day or while on duty, the Employer shall have the right to require the employee to submit to alcohol, cannabis/marijuana or drug testing as set-forth in this Agreement. The definitions of illegal drugs to be tested for are identified in 720 ILCS 550/3 and 570/100 et seq.

Section 25.4 Order to Submit to Testing

At the time an officer is ordered to submit to testing authorized by this Agreement, the Director, or his designee, shall provide the officer with a written notice of the order, setting forth the facts and reasonable inferences drawn from those facts which have formed the basis of the order to test. The officer shall be

permitted to consult with a representative of the FOP or a private attorney at the time the order is given, provided, however, that in no circumstances may implementation of the order be delayed longer than forty-five (45) minutes. No questioning of the officer shall be conducted without first affording the officer the right to FOP representation and/or legal counsel. Refusal to submit to such testing may subject the employee to discipline, but the employee taking the test shall not be construed as a waiver of any objection or rights that he may have.

Section 25.5 Tests to be Conducted

In conducting the testing, authorized by this Agreement, Ford County Probation Office shall:

- A. Use standard department equipment for an initial test. A positive shall be confirmed by a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory Act that has or is capable of being accredited by the National Institute of Drug Abuse (NIDA);
- B. Insure that the laboratory or facility selected conforms to all NIDA standards;
- C. Establish a chain of custody procedure for both sample collection and testing that will ensure the integrity of the identity of each sample and test result. No officer covered by this Agreement shall be permitted at any time to become a part of this chain of custody;
- D. Require that with regard to alcohol testing, for the purpose of determining whether the officer is under the influence of alcohol, test results that show an alcohol concentration above .02 Blood Alcohol Concentration (BAC) per use of a portable breathalyzer test (PBt) is considered positive;
- E. If testing blood, collect a sufficient sample of the same bodily fluid or material from an officer to allow for initial screening, a confirmatory test; and a sufficient amount to be set aside reserved for later testing if requested by the officer;
- F. Collect samples in such a manner as to ensure a high degree of security for the sample and its freedom from adulteration;
- G. Confirm any sample that test positive in the initial screening for drugs by testing the second portion of the same sample by testing the second portion of the same sample by gas chromatography/mass spectrometry (GCMS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites;
- H. Provide the officer tested with an opportunity to have the additional sample tested by a clinical laboratory or hospital facility of the officer's own choosing, at the officer's expense, provided the officer makes such demand of the Director or his designee within seventy two (72) hours of receiving the results of the test; and provided the clinical laboratory or hospital facility selected by the employee must satisfy the criteria set-forth in subsections (a) and (b) immediately above.
- I. Require that the laboratory or hospital facility report to the Director that a blood or urine sample is positive only if both the initial screening and confirmation tests are positive for a

particular drug. The parties agree that should any information concerning such testing, or the results thereof, be obtained by the Employer inconsistent with the understandings expressed herein (e.g. billings for testing that reveal the nature or number of tests administered), the Employer will not use such information in any manner or forum adverse to the officer's interests;

- J. Consider test results along with all other relevant evidence on the issue of whether or not an officer was under the influence of alcohol;
- K. Provide each employee tested with a copy of all information and reports received by the Employer in connection with the testing and the results at no cost to the employee.
- L. Insure that no employee is the subject of any adverse employment action, except temporary reassignment or relief from duty with pay, during the pendency of any testing procedure. Any such temporary reassignment or relief from duty shall be immediately discontinued in the event of a negative test result.

Section 25.6 Right to Contest

The Union and/or the employee shall have the right to file a grievance concerning the basis for the order to submit to the tests, the significance and accuracy of the test, the consequences of the testing results of any other alleged violation of this Agreement. Such grievances shall be commenced at Step 2 of the grievance procedure. It is agreed that the parties in no way intend or by any manner have restricted, diminished or otherwise impaired any constitutional rights that officers may have with regard to such testing. Employees retain any such constitutional rights as may exist and may pursue the same at their own discretion, with or without the assistance of the Union. On the other hand, subject to an employee's constitutional or statutory protections, nothing in this Article shall diminish the employer's authority to discipline an employee in the event that the employee refuses to follow an order to undergo the procedures of this Article.

Section 25.7 Voluntary Requests for Assistance

The Employer shall take no adverse employment action against an employee who prior to any mandatory testing and for the first time voluntarily seeks treatment, counseling or other support for an alcohol or prescribed drug problem, other than the Employer may require reassignment of the employee with pay if he is unfit for duty in his current assignment. If a position is unavailable, the employee may be suspended without pay until fit to return to work. The Employer may make available through the County's Employee Assistance Program (if available) a means by which the employee may seek referrals and treatment. All such requests shall be confidential and any information received by the Employer, through whatever means shall not be used in any manner adverse to the officer's interest, except reassignment as described above.

Section 25.8 Discipline

In the first instance that an officer tests positive on both the initial and the confirmatory test for an illegal drug, the employee shall be discharged. In the first instance that an officer tests positive or is found to be under the influence of alcohol or cannabis/marijuana, the employee, based on just cause, may be disciplined up to and including discharge. All employees prior to being ordered to submit to testing for alcohol or drugs who voluntarily seek assistance with a cannabis/marijuana, prescribed drug and/or

alcohol related problem, shall not be subject to any disciplinary or other adverse employment action by Ford County/Ford County Director. The foregoing is conditioned upon:

- A. The Officer agreeing to appropriate treatment as determined by an Illinois Licensed Substance Abuse Evaluator.
- B. The Officer discontinues his use, possession, or sale of illegal drugs, use of cannabis/marijuana or abuse of alcohol;
- C. The Officer completes the course of treatment prescribed, including the "aftercare" group for a period of up to twelve months;
- D. The Officer agrees to submit to random testing during a one-year period following the initial test.
- E. The officer agreeing to sign all relevant Releases of Information so that the Employer may present their concerns to the Evaluator, and the Employer may receive the evaluation, treatment verification, aftercare plan, and discharge summary.

Employees who do not agree to or act in accordance with the foregoing or who test positive for drugs, or test positive for cannabis/marijuana or alcohol a second or subsequent time during the hours of work shall be subject to discipline, up to and including discharge.

The foregoing shall not be construed as an obligation on the part of Ford County Probation Office to retain an officer on active status through the period of rehabilitation if it is appropriately determined that the employee's current use of alcohol, cannabis/marijuana or drugs prevents such individual from performing the duties of a peace officer or whose continuance on active status would constitute a direct threat to the property or safety of others. Such employees shall be afforded the opportunity to use any accumulated paid leave that he/she may have, such as compensatory time, vacation time, sick days, or personal leave days, or take an unpaid leave of absence pending treatment at option.

The foregoing shall not limit the Employer's right to discipline officers for misconduct.

ARTICLE 26 - SAVINGS CLAUSE

If any provision of this Agreement or any application thereof should be rendered or declared unlawful, invalid or unenforceable by virtue of any judicial action, or by any existing or subsequently enacted Federal or State legislation, or by Executive Order or other competent authority, the remaining provisions of this Agreement shall remain in full force and effect. In such event, upon the request of either party, the parties shall meet promptly and negotiate with respect to substitute provisions for those provisions rendered or declared unlawful, invalid or unenforceable.

ARTICLE 27 - COMPLETE AGREEMENT

The parties acknowledge that during the negotiations that preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining. The understandings and agreements arrived

at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Nothing herein shall waive the Union's right to demand to engage in "impact bargaining" as the term is used pursuant to the Illinois Public Labor Relations Act (5 ILCS 315).

ARTICLE 28 - DURATION AND SIGNATURE

This Agreement shall be effective from December 1, 2020 and shall remain in full force and effect until November 30, 2023. In the event such notice to negotiate is given, then the parties shall meet not later than fifteen (15) days after the date of receipt of such notice, or at such reasonable times as are agreeable to both parties for the purposes of negotiation.
