Publication is hereby made for equalized assessed valuations for real property in this County in accordance with 35 ILCS 200/12-10.

Pursuant to 35 ILCS 200/10-115, the Farm Land assessment for the 2025 assessment year will increase by 10% of the preceding year's median cropped soil productivity index as certified by the Illinois Department of Revenue with data provided by the Farmland Assessment Technical Advisory Board resulting in a \$51.56 per acre increase for each soil productivity index.

As required by 35 ILCS 200/9-210 and 35 ILCS 200/10-115, the following equalization factors have been applied to all Residential, Commercial, Industrial, Farm Homesites & Dwellings and Other Land & Improvements to bring the assessments to the statutorily required three-year median level of 33.33%.

Property in each Township, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by 33.33%. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the

estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact your township assessor's office to review the assessment.
2. If not satisfied with the assessor review, taxpayers may file a complaint with the Ford County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, call (217)379-9430 or visit fordcounty.illinois.gov for more information.
3. The final filing deadline for your township is generally 30 days from this publication date, or January 30, 2026. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in these townships. For more information on complaint deadlines, call (217)379-9430 or visit fordcounty.illinois.gov.

The following list contains all properties that received an individual change for those townships. The print order is parcel number based on records of the Office of Supervisor of Assessments as of the date of the creation of this list. The list contains the parcel number, the name of the property owner, and the total assessed value according to the records in the office of Supervisor of Assessments.

Your property tax bill will be calculated as follows:

$$\begin{aligned}\text{Final Equalized Assessed Value} - \text{Exemptions} &= \text{Taxable Value} \\ \text{Taxable Value} \times \text{Current Tax Rate} &= \text{Total Tax Bill}\end{aligned}$$

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, contact the Ford County Supervisor of Assessments Office at (217) 379-9430.

If you have any questions on this heading or on property assessed value, please feel free to contact the Ford County Supervisor of Assessments Office at (217) 379-9430 or by mail at 200 W. State Street, Paxton, IL 60957 during normal business hours of Monday – Friday, 8:30 am – 4:30 pm.

All equalized assessed valuations are subject to further equalization and revision by the Ford County Board of Review as well as equalization by the Illinois Department of Revenue. A complete list of assessments for this County for the current assessment year, except for those assessments that were changed solely by equalization as noted above, is as follows:
